## **World Cup Week 2018**

**Monday 18<sup>th</sup> June 2018 – Friday 22<sup>nd</sup> June 2018**

Dear Parent/Carer,

This week sees St John Fisher host its very own 'World Cup week'. A grand draw took place last Friday and each class has 'adopted' a country for the week. Please see below for year group details. The aim of this week is for the teachers and children to work together learning all about their specific country and it will culminate in a special celebration assembly this Friday where children from each year group will have the opportunity to discuss and share all their work from the week.

Teachers will keep you updated with events throughout the week and please spend a few moments each day talking to your child/children about their country and any new found knowledge they have. We want this week to be educational and importantly, we want this week to be fun, which children will embrace.

### **Year Group Countries**

**Reception – Brazil**

**Year 1 – Australia**

**Year 2 – Tunisia**

**Year 3 – Belgium**

**Year 4 – Costa Rica**

**Year 5 – Croatia**

**Year 6 - Russia**

Friday will also play host to our very own World Cup Tournament. Children from Years 3 – 6 will have the opportunity to participate if they so wish and we have scheduled group games, semi-finals and the all important final, where two countries will battle it out for the World Cup Trophy! It is sure to be a fantastic event. Children will not be allowed to wear football boots, only trainers please.
