Dear Parents and Carers

Whole School Sponsored Event

We are delighted to announce that on Friday 5th October 2018, we will once again be holding a sponsored event which all of the children can take part in. Working alongside Premier Sports we have designed a fitness circuit which can be tailored to all year groups and which will offer lots of challenge and fun in equal measure. The children may come dressed in their sports clothes on the day.

We were blown away by your generosity last year and it enabled us as a school to fund visits entirely or at a reduced cost. All the money raised will directly benefit your child/children. We place a great emphasis on providing our pupils with as many curriculum enrichment opportunities as possible as we firmly believe that these help to enhance the whole school experience.

We would really appreciate your support once again. If each child could raise just a few pounds, it would allow us to provide a wider variety of educational experiences for the children. We would be grateful if the sponsorship money could be in by October half term at the latest so that we can make plans for the trips and treats.

Your child will bring home a sponsor form and we would appreciate if this could be returned to your child's class teacher by Friday 5th October 2018.

Many thanks for your support,

Mr Paul Ackers
