Dear Parents,

Our next theme is Celebrations. The children will be exploring different celebrations that the children and their community join in and other celebrations enjoyed by others around the world. The final celebration will be Christmas.

For this half term's Creative Homework, I am asking you and your child to create a Nativity scene. This may be as a picture or painting or you may choose to make a 3D model. You may choose part of the story or the final stable scene.

Please don't go to any expense- use what you can find at home. Please send your finished Nativity into school during the week commencing Monday 10th December (not before please) and they will be part of our display.

Thank you for your continued support.

Every good wish,

Mrs Lisa Farmer
