

School is different

We

still

have

rules

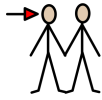

at

school

Some

of them

are the

same

and

some

are new

Because of

COVID-19,

some

rules

are

more

important

I

must

sit

where

the teacher

tells

me

to

I

must

stay

a safe

distance

from the

adults

and

the other

children

I

must not

move

about

the classroom

unless the

teacher

says

I can

• I must follow the teacher's instruction straight away

• I must wash my hands regularly

• I must use a tissue to catch sneezes and coughs - and bin

it straight away

• I must tell an adult if I feel unwell

• I must not touch anyone else's equipment

• I must walk in single file - I must not run anywhere

in school
